

The essence of inner city living

The Riverstone apartments were developed by the highly regarded Drew Group. At the time of release, they were touted as being of unrivalled value in Brisbane's most desirable location, and this description remains valid today. If anything, the inner city suburb of Newstead has grown in desirability, particularly for young affluent professionals seeking a vibrant millennial lifestyle.

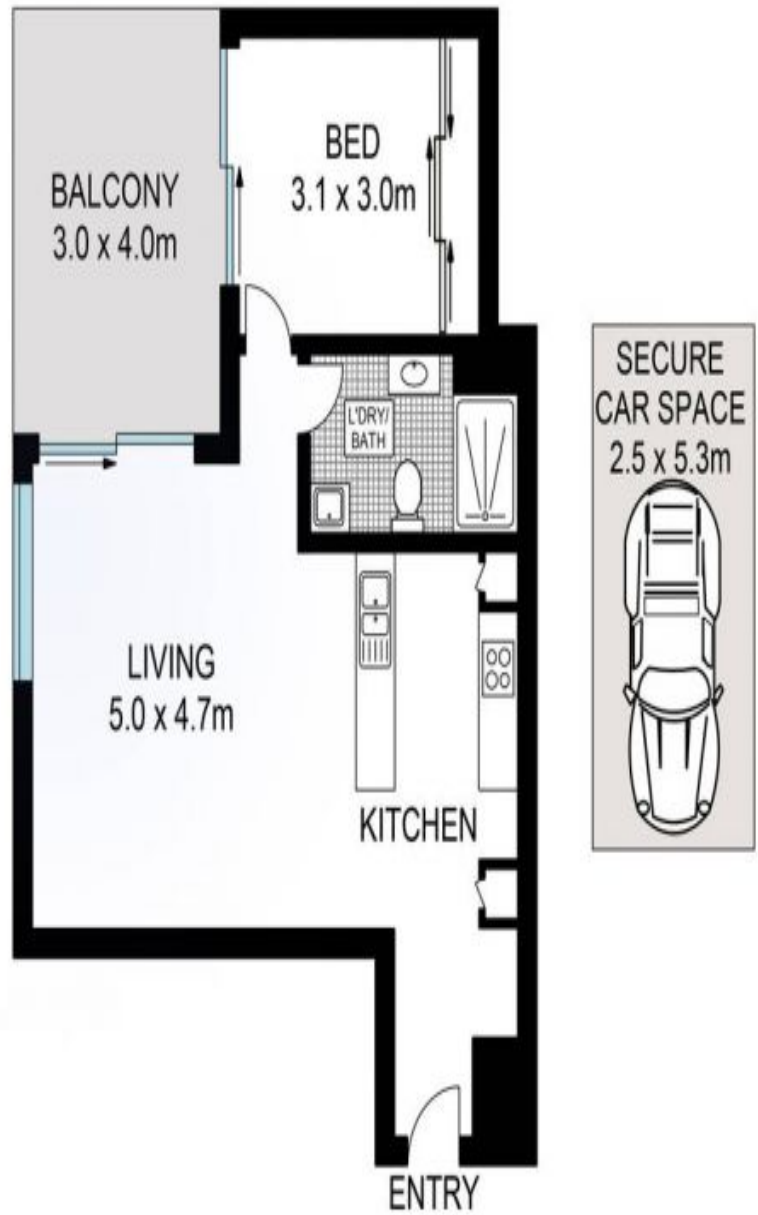

Apartment 908 is a 73m² one-bedroom apartment with a Manhattan vibe that offers sweeping views of the city. It is an exciting prospect either for an owner-occupier or the astute investor, featuring high quality finishes and a stylish, timeless design. With excellent natural light, the apartment feels spacious and restful.

Floor coverings consist of ceramic tiling, and quality carpeting in the living room and bedroom. The double bedroom offers a large built-in wardrobe, and opens to the balcony through a large glass sliding door. The modern bathroom and laundry is convenient and efficient.
